## MEETING YOUR NEEDS

CONFERENCE & CORPORATE EVENTS  
IN COMFORT & STYLE

# WEST YORKSHIRE'S WARMEST WELCOME

The Durker Roods Hotel was built in 1870 as a gentlemen's private residence. It was converted into a hotel in 1975 and quickly established an excellent reputation for conferences and corporate events.

It is ideally located close to the major road networks – only 35 minutes from Manchester/Leeds/Sheffield and 10 minutes from Huddersfield – providing excellent access for delegates or guests who live further afield. We also have free car parking facilities for up to ninety cars.

The Kings Inns Company acquired the hotel in 1999 and began a programme of refurbishment aimed at enhancing the elegance of the house and its many rooms, and at building on its reputation for warm hospitality and excellent service.

Meetings and conferences for 20 to 120 delegates can be catered for in either the Sir David Brown Suite or The Boardroom, and other rooms can be made available for interviews or breakout sessions

## PROFESSIONAL SERVICE IS OUR PRIORITY

Responsibility for organising a conference for your company can be onerous, but you can have confidence in the support of our professional team to ensure that everything runs smoothly.

Rooms will be set out to your requirements and all equipment will be checked and working when you arrive, with advice on the use of any equipment.

The most important aspect of your stay will be the great service. From the moment you pick up the phone to make your enquiry to the minute that you leave us on the day, you will be looked after by a team who are dedicated to ensuring that your stay is a complete success.

We'll make your visit  
one to remember

# TIME FOR A BREAK

The Elegant Restaurant

## MORE THAN JUST BISCUITS

If meetings, seminars and conferences are to be effective then the refreshment and lunch breaks are essential to maintain attention and morale.

Frequently, delegates complain that refreshments and lunches are boring. Not at the Durker Roods.

Coffee or tea with Danish Pastries, or hot bacon sandwiches, hot and cold buffets, barbecues or ice creams in the garden, and dinners and banquets.

We'll tailor the menus to fit your needs and timing schedule.

## MEALS AND ENTERTAINMENT

We freshly prepare light finger buffets, hot buffets, salad bars, bar meals, Table d'Hote menus or 5 course banquets. Themed dinners, live entertainment and music will be arranged to suit your plans, and meals can be taken in the restaurant, your conference room, or as snacks in the lounge bar.

*'The recent Sportsman's Dinner held in the Sir David Brown Suite was considered by everyone an enormous success.*

*Many thanks for the professional service of your team – and also the chefs for an excellent dinner, too* ☺

# BAR, RESTAURANT & BEDROOMS

Previously the music room, our lounge bar is a popular meeting place for locals and is always warm and welcoming. Our chefs have a great reputation locally and amongst our regular business travellers for producing tasty snacks and delicious meals.

Our restaurant has also been remodelled to provide a pleasing setting for good food and wines. Close by is the residents' lounge for guests who may prefer to take an aperitif and quiet conversation away from the hubbub of the bar.

Our menus feature a blend of traditional British and Mediterranean style cuisine.

## 30 SPACIOUS AND COMFORTABLE BEDROOMS

All 30 of our bedrooms offer all the modern amenities business clients expect, yet most importantly they ensure the chance of a good night's sleep well away from traffic noise. Our 18 Pennine Rooms have en-suite bathrooms, and the bedrooms have recently been redecorated and refurbished.

In Autumn 2002 we completed the restyling and refurnishing of our Moorland Rooms and bathrooms offering more luxury, more style, more amenities.

With the latest in digital phones with internet access and plenty of space to work (and relax), all of our rooms offer an ideal combination of comfort and space for business travellers.

## THE SIR DAVID BROWN SUITE

Air conditioned with a self contained bar and wash room facilities, the Sir David Brown Suite has recently benefited from a complete restyling and refurnishing which has transformed it into West Yorkshire's most stylish function venue in which live bands, discos, tribute evenings and banquets can be held.

The Sir David Brown Suite has its own self contained bar
