BANQUETING FOR CLUBS & SOCIETIES

The Sir David Brown Suite is ideal for all types of club and society banquets or fundraising events. It can seat 120-banquette style, has a dance floor for dinner dances and integral bar and washroom facilities. |Air conditioning ensures that speakers don't get hot and flustered either.

YOUR EVENT ORGANISER WILL YOU KEEP COOL TOO

Your dedicated organiser will ensure that those responsible for organising the evening won't get hot and flustered either, every detail from the menu to the entertainment will be carefully planned and will be on hand on the day to ensure that you can relax and enjoy your event. And if it's to raise funds for your club, society or a charity we have plenty of experience to guide you too to ensure that it's profitable.

TAILORED TO FIT PERFECTLY

You can theme your event with music, guest speakers, and décor. Casino nights, Race meetings, even Bucking Bronco's help create a unique event. Recently tribute nights have proven very successful and could be an ideal way for you to arrange a dinner with cabaret. Many of these tribute artists have featured on T.V, many of whom tour in Europe and on the major cruise ships. * 'Freddy Mercury', 'Robbie Williams', 'Meatloaf', 'Frank Sinatra and Dean Martin', even 'Celine Dion', have all performed for our guests.

Menu's from BBQ's to buffets, to a 5 course silver serviced dinner will be tailored to fit your needs.

PROFESSIONAL PLANNING

From the moment you choose The Durker Roods as the venue for your event you can be sure that a professional team will be helping you plan, budget, and make it a great success.

** [Tribute artists performing as the stars. Please give as much notice as possible if you want to book a tribute evening, as these artists are very popular.]*

‘The recent Sportsman's Dinner held in the Sir David Brown Suite was considered by everyone an enormous success.

Many thanks for the professional service of your team – and also the chefs for an excellent dinner, too 9
